Population Information

The Village of Savoy, incorporated in 1956, maintains a quality of life typically associated with small Midwestern towns, including quiet uncongested neighborhoods and a responsive government. The community also prides itself in having a unique range of recreational activities, a great deal of cultural and ethnic diversity, prime opportunities for continued

education with the University of Illinois and Parkland College just miles away, and abundant restaurants and nightlife in the metro area.

Health Facilities

- Carle Clinic
- Provena Covenant Medical Center
