Top Employers Directory Introduction

Who uses the Champaign County Top Employers Directory (TED)?

The Champaign County TED is a reference tool used by local and prospective businesses and residents to gain insight about the local business community and employment market. By providing this compilation of information to prospective businesses, they can measure if their skill sets and mission are a good fit for Champaign County. Local employers may find the information beneficial to explore revenue opportunities, recruit skilled labor, increase efficiencies in their supply chain and form strategic partnerships. Prospective residents considering Champaign County can tap the directory as they evaluate employment opportunities.

What content is in the TED?

The TED includes the top 10-15 employers in each primary industry of the area including: Manufacturing and Distribution, Higher Education and Government, Professional Services and Back Office Support, Health Care, Agribusiness and High Tech firms. These groups make up the primary employment base of the county.

Information published in the directory is limited to company name, address, telephone number, number of employees, HQ location, goods and services, union affiliation, date established in the community, URL, trade names and parent company. *Note: the number of employees for many of the larger employers in distribution does not include contract employees which can easily increase the numbers significantly.*

How can I get my business in the TED?

EDC staff will add your business to the list if you meet the following criteria:

If your company falls within the top ten or fifteen businesses by employment;

OR, if your company has more than 30 employees and more than 50% of your revenue comes from goods or services sold outside Champaign County;

AND, you are not a food service or retail oriented business.

How current is the information?

The information in the directory is updated on an annual basis and is provided by participating employers. If your business has been missed or misrepresented, please contact the EDC at 217-359-6261.
